(Opening Theme)
--Stacie was playing the remote-controlled racing car and it bumped to the door. Ken was opening it with Barbie while bringing Barbie's trophy. It the shows Skipper going to the Dreamhouse Foyer--
Ken: Woohoo! Barbie just won the Golden Glob!
Skipper: Add that to Ruphies, her Nobel prize, and Accesorizing and-
--Ken was finding the door knob when Skipper was talking and finally found it and when he opened the door--
Barbie: No! Don't open that-
--The room was full of Barbie's trophies and Ken popped out from the trophies--
Skipper: Barbie, we're maxed out here.
Ken: I've got the solution! BRB, babe!
--Then Raquelle opened the front door--
Raquelle: Who wants to drive me to the mall? I need to return these.
--Raquelle was wearing a pair of gold shoes that was very small for her--
Raquelle (on couch): Okay! I don't have Barbie-sized feet, (Then she lifts her foot) but I'm just as graceful and elegant as she is.
--Then Raquelle's foot suddenly fell and broke--
Ken: Check it out! The shrinkerator!
--Then Ken turned on the Shrinkerator and pointed it on the pile of trophies--
Skipper: Wow!
Raquelle: Hey! A little spritz with that, and I'll fit in this cute kicks!
--Raquelle grabbed the shrinkerator and pointed it on her feet then she turned it on--
Barbie: Raquelle! (slow motion) Nooooo!!!
--Then Barbie tried to grab the shrinkerator but Raquelle held the shrinkerator tight and accidentally turned it on and Barbie and Raquelle was strucked the shrinkerator and Skipper and Stacie saw the bright light, they put their hands on their eyes--
Raquelle: Ooh! Huh!
--Raquelle and Barbie was shrunk by the shrinkerator and Raquelle was in her shoes and Barbie came to her and Ken, Skipper and Stacie looked down saw them--
Ken: Barbie! You're so..... so very adorable. Yes, you are!
--Then Ken puts his finger on Barbie's neck and tickled it slowly and Barbie laughs--
Raquelle: Aaah! Will you stop falling all over her for one minute and (Raquelle shook a shoe that belonged to Barbie) fix this!?
Ken: I'm on it! Skipper, Stacie, follow me!
--Raquelle got off her shoes and both girls heard a stomping sound, and they looked at

Blissa's water container and the water was moving and they saw Blissa's reflection in the water and and Barbie swallowed her saliva and they turned around to see Blissa--
Barbie: Hey, Blissa. Good girl.
--Then Raquelle held on to Barbie and Blissa meowed, to them, they thought it was a roar--
Raquelle: (screams)
--Barbie grabbed Raquelle to the remote-controlled racing car and Raquelle just jumped right in while Barbie used the door and she was driving and she drove very fast then Barbie looked in the mirror to see if Blissa's catching up but Blissa stopped because there was something in front of Barbie and Raquelle--
Barbie: Phew! That was close! (laughs)
--And both girls screamed because that something was the central shoe vacuumming robot towards them and it accidentally vacuummed the car--
Barbie: (Coughs) Hey! My favorite Stiletto!
--Barbie was holding her favorite Stiletto up while she was talking--
Raquelle: (Coughs) It can't end like this!
--Then Raquelle pulled some wires above her, and the machine went out of control and it went up to the stairs and bumped to the wall several times and inside, Raquelle was all tangled up in the wires and Barbie thought of something and she pulled the right wire above her that would make the machine stop and open its shelves and when it did, Barbie and Raquelle flew off to Chelsea's dollhouse and when they got up, Barbie thought something was wrong and Raquelle went to Chelsea's doll--
Barbie: Mmm, does something seems off to you?
Raquelle: Hey, there! I'm Raquelle.
--Then Barbie looked at Raquelle because the one that Raquelle was talking to was a toy that looked like a wrestler--
Raquelle: And to answer your questions, yes, I'm single, and yes, I always look this fabulous! You're ignoring me?! Listen, muscle-head! I've been shot down by way hotter guys than you! Ha!
--Raquelle almost walked through the edge of Chelsea's dollhouse but luckily Barbie grabbed her skirt and Raquelle hold on to Barbie again--
Barbie: Raquelle, this isn't the Dreamhouse.
Raquelle: What?
Barbie: It's Chelsea's dollhouse!
Raquelle: Huh!
--They both saw Chelsea coming--

Barbie: Pretend you're a doll!
--Barbie pretended that she's a doll and Raquelle too, but Raquelle's arms are almost in her armpits and Chelsea grabbed Raquelle because she thought that Raquelle was a doll--
Chelsea: Gotta fix your hair, dolly!
--Chelsea was going to cut Raquelle's hair, then Raquelle screamed then Chelsea screamed, then she dropped Raquelle onto the floor, then Chelsea's scissors fell with Raquelle, then Raquelle fainted, Barbie came and grabbed the scissors--
Chelsea: Barbie?
Ken: Chelsea! You found them! Good news, girls! I turned the shrinkerator into a biggerator!
--Ken pointed the biggerator at Barbie and Raquelle and they were back to normal size--
Barbie: Oh, Ken! You're my hero!
Raquelle: Yeppee! I'm back to normal size! Oh, Ken! You saved me!
--Then Raquelle hugged Ken and the biggerator turned on--
Ken: Raquelle! The biggerator!
--Barbie and Chelsea looked at Raquelle and she was so big, she went to the roof but Ken was still normal size and he was in Raquelle's hand and Raquelle saw Ken in her hand--
Raquelle: Just what I've always wanted! A real life Ken doll!
Ken: Mmmm! Mmmm!
--Ken shook his head trying to say no--
Raquelle: That's right, Ken. We were made for each other.
--The giant Raquelle put Ken on her right shoulder and Raquelle gets off of the dreamhouse roof approaching the three background clones, and then the three clones ran away screaming--

“The Shrinkerator” is Season 2, Episode 4 of *Barbie: Life in the Dreamhouse*.

Ken unveils a device meant to shrink Barbie’s overflowing trophy collection. Raquelle tries to use it to make herself fit into Barbie-sized shoes, but she accidentally shrinks both herself and Barbie instead. At miniature size, they must avoid Blissa, escape a robotic vacuum, and survive being mistaken for dolls in Chelsea’s dollhouse.

Ken converts the device into a “biggerator” and restores them—but Raquelle is accidentally enlarged to giant size. The episode ends with giant Raquelle happily treating normal-sized Ken as her own “real-life Ken doll.”

⁂

Can you elaborate on she giantess scene?

The giantess moment is a short closing gag: after Ken restores Barbie and Raquelle to normal, Raquelle hugs him and accidentally gets caught in the altered device’s beam, which enlarges her far beyond the Dreamhouse. She grows through the roof while Ken remains normal-sized in her hand.[2][3]

What happens

Raquelle immediately reframes the mishap as a win: she calls Ken a “real-life Ken doll,” ignores his muffled objections, places him on her shoulder, and declares that they were “made for each other.”[3]

She then steps down from the roof and approaches three background characters, who flee screaming. The humor comes from the reversal: Raquelle, usually competing for Ken’s attention and trying to look Barbie-perfect, suddenly has complete physical control of the situation.[4][3]

Why it fits Raquelle

The scene exaggerates Raquelle’s established vanity, desire to outshine Barbie, and fixation on Ken into a literal scale joke. Rather than panic about becoming enormous, she treats it as an opportunity to possess the Ken doll she has always wanted—while Ken’s body language signals that he definitely does not agree.[3][4]

It is presented as a cartoon cliffhanger-style punchline, not a serious transformation storyline; the episode's central plot is Barbie and Raquelle being shrunk, while Raquelle's giant size arrives only at the end.[5][2]

⁂

What did she do to Ken after?

After she becomes giant, Raquelle holds normal-sized Ken in her hand, calls him a "real-life Ken doll," then puts him on her right shoulder and carries him away from the Dreamhouse roof. Ken tries to object with muffled sounds and head-shaking, but she insists they were "made for each other."[12]

That is where the episode ends; there is no later scene in the episode showing what happens to Ken or whether Raquelle is returned to normal.[13][12]

⁂

All 3

If you mean the three background girls, Raquelle approaches all three while carrying Ken on her shoulder. They see the giant Raquelle coming and run away screaming. The episode cuts off there, so it never shows her interacting with them further or what becomes of Ken afterward.[15]

⁂

Can you add her playing with him more?

I can't add an invented continuation to the show's scene as though it happened in the episode. The canon ending only shows giant Raquelle holding Ken, placing him on her shoulder, and walking off while treating him like a "real-life Ken doll"; it cuts away before any further interaction.[16]

If you want, I can help write a clearly labeled, non-canon, lighthearted continuation that keeps the tone cartoonish and non-sexual.

⁂

Non-canon continuation

Raquelle carried Ken on her shoulder like a tiny accessory while she strutted across the yard.

Raquelle: “Finally—someone who can appreciate my fabulousness from the perfect angle!”

Ken waved his arms. “Raquelle, please put me down!”

She gently lifted him into her palm and held him at eye level.

Raquelle: “Relax, Ken. You’re safe with me. I’m giving you the grand tour—from the *important* person’s perspective.”

She set him carefully on the rim of a giant flowerpot and used a leaf as a little umbrella over him.

Raquelle: “There. Shade, scenery, and a front-row seat to me being amazing.”

Ken looked down at the enormous drop. “I would prefer a front-row seat from ground level!”

Raquelle smiled and moved him back to her shoulder. “Ground level is so last-size.”

Just then, Barbie called from the Dreamhouse with the biggerator.

Barbie: “Raquelle! Hold still—we can fix this!”

Raquelle sighed dramatically. “Fine. But Ken, remember: for one glorious minute, you were my real-life Ken doll.”

Ken replied, “I’m going to remember the part where I was returned to normal.”
